STATEMENT AND ASSUMPTIONS PART – 1_Analytical Reasoning

Directions: In each of these questions is given a statement followed by two assumption numbered I and II. An assumption is something supposed or taken for granted. You have to consider the statement and the following assumptions and decide which of the assumption is implicit in the statement. Then select the correct answer from the alternatives (1), (2), (3), (4) and (5).

Given Answer (1) if only assumption I is implicit.

Given Answer (2) if only assumption II is implicit.

Given Answer (3) if either assumption I or II or is implicit.

Given Answer (4) if neither assumption I nor II is implicit.

Given Answer (5) if both the assumption I and II are implicit.

1. Statement: The Government should engage army for the rapid rehabilitation of people affected by the cyclone.

Assumptions

- I. Only army can rehabilitate the people affected by cyclone quickly.
- II. Army can take up other works also other than war.

2. Statement: His recent investment in the shares of Company 'A' is only a gamble.

Assumptions

- I. He may incur loss on his investment
- II. He may gain from his investment.

3. Statement: Government should deploy army at least this year for the rehabilitation of people affected by cyclone because cyclone visits suddenly.

Assumption

- I. The army should be deployed for all such sudden incidents.
- II. Some precautionary plan is being made to prevent destruction caused by cyclone.

STATEMENT AND ASSUMPTIONS PART – 1_Analytical Reasoning

4. Statement: It is not true always that the adoption of latest technology ensures increased productivity and capacity.

Assumption

- I. It is possible to prove the increased productivity and capacity due to adoption of latest technology.
- II. The productivity and capacity can be increased by discarding latest technology.

5. Statement: if you could not collect required amount by oral call you must publish an advertisement in a widely read newspaper.

Assumption

- I. Usually people respond to oral call rarely.
- II. Generally people are reluctant to read advertisement in newspaper.

6. Statement: The Union Government has decided to withdraw existing tax relief on various small savings schemes in a phased manner to augment its tax collection.

Assumptions: I. People may still continue to keep money in small savings schemes and also pay taxes.

II. The total tax collection may increase substantially.

7. The Government has decided to levy 2 percent extra tax which will be payable for funding drought relief programmes.

Assumption:

- I. The Government does not have sufficient money to fund drought relief programmes.
- II. The amount collected by way of surcharge may be adequate to fund these drought relief programmes.

8. Statement: The 'X' housing Finance Company has offered its services to search a suitable home at no extra cost for those who avail housing loan from it.

Assumptions: I. The customers may prefer to take housing loan from 'X' Housing Finance Company as they can save lot of their time and money in searching a suitable home.

www.ixambee.com

STATEMENT AND ASSUMPTIONS PART – 1_Analytical Reasoning

II. No other Housing Finance Company has offered any such extra service along with housing loan.

9. Statement: World Health Organisation has decided to double its assistance to various health programmes in India as per-capita expenditure on health in India is very low compared to many other countries.

Assumptions: I. The enhanced assistance may substantially increase the per capita expenditure on health in India and bring it on par with other countries.

II. The Government funding is less than adequate to provide basic medical facilities in India.

10. Statement: The managing committee of Galaxy Housing Society has requested all its members to segregate the bio- degradable garbage and put them in different containers.

Assumptions: I. Other housing society may follow the same practice as this will help conserve environment equilibrium.

II. The members of Galaxy Housing Society may respond positively to the request made by the managing committee.

11. Statement: Job rotation helps employees get an overview of the organisation.

Assumptions:

I. Job rotation is the only method to get an overview of the organisation.

II. It is required to have an overview of the organisation.

12. Statement: let us appoint Ms. X as the CEO of our Company so that the company's products are also perceived to be genuine.

Assumptions:

I. CEO can change the perception of products.

II. Perception is same as the actual reality.

13. Statement: An advertisement- the new model has been launched with K-series engine.

Assumptions:

I. People know about K-series engine.

II. Engine type/series is important for buyers.

STATEMENT AND ASSUMPTIONS PART – 1_Analytical Reasoning

14. Statement: Mohan tells Nita, "Let us meet over lunch tomorrow".

Assumptions:

- I. Lunch timings are known to both.
- II. Both are aware of the venue for lunch.

15.Statement: Book your railway tickets at least three months in advance to ensure a confirmed reservation.

Assumptions:

- I. No booking is taken by the railways before three months of the date of journey.
- II. Air Tickets need to be booked as much in advance as train tickets.

16. Statement: The movie is a super-duper hit and has broken all the records.

Assumptions:

- I. There is no authentic criterion to judge a hit or a flop.
- II. The performance of earlier movies is known.

17. Statement: To achieve economic development, people should work hard.

Assumptions:

- I. Achieving economic development is desirable.
- II. Working hard is not impossible.

18. Statement: As the prices of petrol and diesel shoot up more and more people are resorting to the use of electric cars.

Assumptions:

- I. Using electricity for powering cars is less expensive than using petrol or diesel.
- II. Many people cannot afford the raised prices of petrol and diesel.

STATEMENT AND ASSUMPTIONS PART – 1_Analytical Reasoning

19. Statement: Visitors may use lift at their own risk.

Assumptions:

- I. Using lift is not always safe.
- II. Visitors do not want to use lift.

20. Statement: This book is so designed that even a layman can easily learn science in the absence of a teacher.

Assumptions:

- I. Learning science by everybody is desirable.
- II. A layman generally finds it difficult to learn science on his own.

21. Statement: Although the rates of this hotel are comparable with other hotels, the amenities provided here are far superior.

Assumptions:

- I. Rates are independent of amenities provided.
- II Rates are dependent on amenities provided.

22. Statement: Using calculator for simpler calculations adversely affects mathematical abilities of children.

Assumptions:

- I. Using calculator for complex calculations may not affect mathematical abilities adversely.
- II. Complex calculations cannot be done manually without the help of a calculator.

23. Statement: For underwater battles only weaponry X should be used.

Assumptions:

- I. Not all weaponry can function well under water.
- II. There are different kinds of weaponry available for battles on ground and under water.

STATEMENT AND ASSUMPTIONS PART – 1_Analytical Reasoning

24. Statement: An advertisement by Easy Air, a private airliner 'Travel to Meerut by our airlines and get a chance to win an all-expenses paid holiday to Bangkok'.

Assumptions:

- I. Easy Air Flight are available for Bangkok.
- II. The city of Meerut has an airport.

Answers:

1. (2) It is clear from the statement that army can take up works other than war also.

2. (3) It is clear that either assumption I or II is implicit in the statement.

3. (2) The use of term 'all' in the assumption I makes it invalid. Clearly, assumption II is implicit in the statement.

4. (1) Only assumption I is implicit in the statement.

5. (1) Only assumption I is implicit in the statement.

6. (5) Any measure is taken assumption that it would be accepted by the people. Therefore, both the assumptions are implicit in the statement.

7. (5) If there were sufficient money to fund drought relief programmes, why this measure should be taken. Therefore, both the assumptions are implicit in the statement.

8. (1) Only assumption I is implicit in the statement.

9. (5) both are implicit in the statement.

10. Only (2) is implicit as nothing can be said about other housing societies, nor was this step taken keeping other societies in mind.

www.ixambee.com

STATEMENT AND ASSUMPTIONS PART – 1_Analytical Reasoning

11. (2) Only assumption II is implicit in the Statement. The use of the term 'only' in the first assumption makes it invalid.

12. (1) Only assumption I is implicit in the statement.

13. (5) Both the assumptions are implicit in the statement.

14. (5) Clearly both the assumptions are implicit in the statement.

15. (4) None of the assumptions is implicit.

16. (2) Only assumption II is implicit in the statement.

17. (5) Both the assumptions are implicit in the statement. If achieving economic development is not desirable, the statement is meaningless. Again, it is said that people should work hard. It implies that working hard is possible.

18. (5) Both the assumptions are implicit in the statement.

19. (1) Any warning is issued in case of a danger. Therefore, it can be assumed that using lift is not always safe.

Assumption II is not implicit in the statement. If visitors do not want to use the lift, the warning is meaningless.

20. (2) Only II is implicit. Use of 'everybody' in I, makes is not implicit.

21. (2) Only assumption II is implicit it in the statement. If rates are independent of amenities provided, the statement becomes meaningless.

www.ixambee.com

STATEMENT AND ASSUMPTIONS PART – 1_Analytical Reasoning

22. (1) Assumption I is implicit. Use of 'MAY' makes it implicit.

23. (5) Both the assumptions are implicit in the statement.

24. (2) Only assumption II is implicit it in the statement.
