Directions (Q.11-15): In the following passage there are blanks, each of which has been numbered. These numbers are printed below the passage and against each five words are suggested, one of which fits the blank appropriately. Find out the appropriate words.

Did you know that there is a/an(11) in the Indian Ocean that seems to belong to another time and place? Silhouette, an island in the Seychelles, looks remote and forbidding, its peak perpetually in the clouds. The only way to get there is (12) boat. It used to be a(13) for pirates long ago. One reason for its isolation is because no boat could get near it for a long, long time because of the coral reef that surrounds it. There is a pier now making landing much(14) But the boats cannot reach the island directly. There are rubber dinghies which ferry.....(15) from the boat to the pier.
