Solutions:

From the given information we can fill the table frame as shown below

Friends	Qualities	
	✓	X
Keshav		Wisdom, Intelligence, Honesty, Smartness
Lalit		Smartness, Prudence
Shishir		Wisdom, Intelligence
Jayesh		Intelligence, smartness, prudence, wisdom
Tanmay		Smartness, prudence, intelligence

In the table we can see that only prudence is left for Keshav. Then, only Honesty is there for Jayesh. Then, only smartness is left for Shishir.

Now intelligence and wisdom are left for Lalit and Tanmay but we know that Tanmay is not known for his intelligence. Hence, it is clear that Lalit is known for intelligence and Tanmay for his wisdom.
