What and why of interviews

Areas from which questions are expected to be asked –

Your profile

- Personal Bio data
- Academic Background
- Previous work experience and job profile (if any)
- Personality Traits
- The state/city you belong to

Organisation and areas of its interest

- Regional Rural Banks (RRBs)
- Job profile related basics
- Financial, Banking, Economic sector basics
- Current Affairs related to these

Awareness

- Current affairs – national and international
- Current affairs – related to your profile (like sports, your previous organisation, etc. if any)

Kindly note, that the interview is unique to every candidate and would progress based on your replies to the previous questions. The interview is majorly a test of personality and less of the knowledge. Following is being tested in an interview:

- Your confidence
- Your communication (both verbal and non-verbal) and Listening Skills
- Your intellectual and moral integrity
- Your reflexes and alertness and ability to think
- Your assimilation capability to understand things/concepts/events/news rather than just bookish knowledge
- Your approach to issues - clear, logical, matter of fact, unbiased and unprejudiced or not
- Your awareness about the world around you (not necessarily academic in nature)
